

10 NIGHTS ON SAFARI 2023 DOGS SAFARI

DAZZLING OUTSTANDING GAME SAFARI

ESCORTED BY NANCY & JOEY GOLDEN
KEENE LUXURY TRAVEL

KLT has been taking groups to South Africa for 20 years and visited over 64 safari lodges (including the high-priced lodges). The lodges featured on this safari are the same as our 2021 Safari and remain our #1 choice for both luxury and value. All three lodges on the main safari are situated in different areas of **Sabi Sands Game Reserve, the prime game area around Kruger**, featuring lions, leopards, elephants, rhino, cape buffalo, and more! [[link for photos from 2021](#)] These lodges offer luxurious rooms, excellent wines and meals. We also use private charter flights avoiding long drives between lodges. Couple all this with the excitement of the safari, lead by expert guides with only six guests per vehicle, and you're set for a once in a lifetime experience!

Adding on this extension will give you the opportunity to explore a different part of South Africa with red desert soil, mountains, and open plains. Right on the border of Botswana, the topography is more desert like than the bush of Sabi Sands - where the main safari is located. You will see animals that you will not see in the Sabi Sands such as Kalahari Lions, Brown Hyena, Oryx, and Black Backed Jackels. Madikwe Game Reserve is famous for their Wild Dog packs and the adorable Rock Hydrax that are all over the rocks of Madikwe Hills.
