Why A&K Recommends:

This hotel is located on one of the quiet neighborhoods near the center of the colonial area of Quito. It is perfect for feeling like one of the locals and you will be able to interact with them as well. The hotel offers a lot of interaction with the local artists as well and their crafts can be purchased at the hotel. This traditional home holds many charming legends and offers a delicious gastronomy. Each detail is specifically created for the hotel from local artisans.

Health & Safety Audit Results and Date:

This hotel was categorized rated green (sell without restraint; there are no safety concerns), on the 6th of February, 2018.

Mama Cuchara– Accommodation

Deluxe rooms

This room were restored in 18th century with a Spanish colonial style. Guests can feel in another decade with the French doors, with fused glass and custom lighting fixtures. Deluxe rooms offer modern bathrooms with a walk-in shower. Additionally, this category has queen size beds and can accommodate up to 2 guests. Size: 32m2

Premium rooms (A&K's recommended)

When looking for spacious options in hotels around Quito, consider the Premium rooms. Distinguished by their unmatched amplitude, thoughtfully crafted furnishings and privileged access to artwork. This category offers the possibility to accommodate in king or queen beds. Additionally, count on a modern private bathroom with a walk-in shower and rain- fall shower head. The Premium rooms can accommodate up to 2 guests. Size: 38m2

Luxury rooms (A&K's recommended)

This is the best category offering 4 rooms with king size beds. Guests can choose rooms with a relaxing tub or with a balcony with view to the front of the hotel. Guests have a desk area, which provides easily accessible electrical outlets, as well as a refreshment center presenting exquisite high-altitude Ecuadorian coffee, traditional and Amazonian blends of tea, and complimentary all-natural bites to eat. Size: 43m2

Superior rooms

The Superior rooms offer a Queen size bed with a plush, pillow top mattress developed by Simmons exclusively for Art Hotels Ecuador. Count on a modern private bathroom with a walk-in shower and rain-fall shower head accompanied by bathrobes and slippers that beckon you to unwind. A desk area provides easily accessible electrical outlets. Size: 36m2
