

Keene Luxury Travel's Guide to Travel Insurance

KEENE LUXURY TRAVEL RECOMMENDS THAT YOU PURCHASE TRAVEL INSURANCE FOR YOUR TRIP

Keene Luxury Travel offers different insurance options to offer a variety of benefits as every client has specific requirements. Purchasing deadlines, pre-existing conditions coverage, age, length of the voyage and amount of coverage affects the associated premium. You can contact these providers for more detailed information. Simply let your KLT travel advisor know if you wish to secure insurance.

REGENT OFFERS INSURANCE WITH THE SAME PREMIUMS FOR ALL AGES FROM AON INFINITY

11.5% Voyages of 14 nights or less

20% Voyages of 15 nights or more

Insurance is based on invoice total and may be offered to all guests excluding those from Puerto Rico or the UK. Regents Pre-Existing coverage has exclusions and may not be available. If you have pre-existing coverage issue's we suggest you purchase insurance with no Pre-Existing exclusions. CSA has excellent pre-existing coverage.

The length of the vacation which determines the premium is dependent upon the length of the entire vacation booked through RSSC, not just the cruise cost or length. Insurance is refundable until cancellation penalty period begins at which point coverage begins. Guests who cancel with insurance will receive an FCC for the amount of the penalty greater than \$50,000 per person.
